## LS09 Series

rechargeable lighting balloon spring type

crime scene investigation,  
rescue operation, fire post  
on indispensable solution  
for environments without  
electricity supply

LS09 models are rechargeable and designed especially for mobile working groups, repairment units, road and railway constructions, search and rescue teams and for security forces. Since 12/24V recharging system is installed, this makes our model by far the best technological product that can be used easily and portably for any usage you would need. It enlights 300-500m2 area with its densified and glare free light and no need to carry additional power supply unit.

### SPECIFICATIONS

- \*Easily installed,
- \*Power supply is included into package
- \*Glare free
- \*Provide 360° lighting
- \*Works in every weather conditions
- \*Daylight quality with 8000° K power
- \*Rechargeable with solar system
- \*Rechargeable with 220V
- \*Rechargeable with vehicle battery
- \*Up to 10 hours with full charged (backpack model)
- \*Full spare part warranty
